#### CEO Summit 2017

A highly respected annual event uniting close to 50 delegates from Globelink offices around the world. This year's CEO Summit was held on 23rd and 24th May 2017 at M Hotel Singapore. A milestone time of the year where comradery is built by taking stock of the past, assessing the present, and looking to the future.

New comers, Ms. Theresa Cabral and Ms. Teresa Enraca from Globelink Philippines commended the event to be "Very informative! A perfect opportunity to brainstorm value adding services and most importantly to know the direction of the group."

The CEO Summit 2017 commenced with a keynote speech by our Executive Chairman, Mr. CW Tan reviewing the Group's performance and sharing about the industry outlook. Mr. Tan shed light on the latest developments in the industry and our approach as a Group moving forward.

Also, our Group CEO, Mr. Daniel Tok proceeded to empower the Group with future vision and in depth insights. In addition, he engaged delegates with strategy and direction for the year ahead.

More highlights include Globelink West Star, Globelink Ünimar, and the HQ team presenting on various topics in the industry. Furthermore, in light of the Singapore and HQ office relocation, delegates paid a lovely visit which was just a block away.

The Summit never fails to present an avenue for the Group to evaluate and develop control amidst dynamic changes through detailed agendas and unfeigned discussions.

Year after year, the Group is consistently aligned and kept up to date with the latest developments in our business world today. Moreover, in spirit of true comradery, the delegates were treated to dinner and had networking sessions which saw great fellowship for CWT Globelink Group.

## Transport Logistics Exhibition - Globelink Slovenia

Held at Messe München, Globelink Slovenia represented Globelink Group as new participants at the Transport Logistics Exhibition 2017. The event was a great success receiving many positive reactions from customers all over the world.

Globelink is one of the leading neutral NVOCC operators globally, the exhibition allowed the group to showcase our network solutions and the benefits of using the Port of Koper for Central Eastern Europe.

With a record demand globally, the transport logistic exhibition 2017 is reported participation figures of 2162 exhibitors from 62 countries, at the industry's leading international trade fair. The number of visitors rose by 9% to 60,000 from 120 countries.

Our participation exhibits Globelink's delight to build holistic relations with our customers on a professional level sharing new opportunities and value added services.

## Region Focus: Central and Eastern Europe

The region Central and Eastern Europe (CEE), includes the countries Albania, Austria, Bulgaria, Croatia, Czech Republic, Hungary, Poland, Romania, Slovakia, Slovenia, and the three Baltic States: Estonia, Latvia and Lithuania.

Over the years, the region had edged out of the 2008 financial crisis and show signs of robust recovery from the global crisis. There are still plenty of unexploited opportunities in the CEE. With the immense growth potential, it is one of the most attractive marketplaces and investment regions in the world.

On November 5 2016, the fifth "16 + 1" Summit between the 16 CEE countries and China was concluded. Held at Riga, Latvia the Chinese played a key role in closing this new deal. The initiative to develop a modern silk road, encourages the economic integration of China, Asia, and Europe by increasing infrastructure and increasing trade and investments.

This unique market proposition presented by the CEE has garnered the interest for Chinese capital, having a potential platform for China to leverage its growing economic and political influence with the EU as a whole. With a reliable and extensive network, Globelink offers a comprehensive coverage between all countries in CEE and any part of the world.

We run regular consolidation services in and out of the region and currently operates 38 direct services into the region and 14 direct export services out of the region. We have Globelink offices in Slovenia, Croatia, Romania & Bulgaria. We own/operate Container Freight Station (CFS) in key hubs & gateways, as such Port of Koper.

In addition to the comprehensive direct service above Koper is also a strong strategic gateway. With vast experience and efficiency in hub operations, we are able to ensure a quick turn-around of import and export containers and provide appropriate solutions to meet the demands of our customers.

We can also provide DDU and DAP services hence furthering our opportunities into CEE, making CWT Globelink Group the number 1 preferred consolidator serving the region. Also, together with our partner agent :- Austormar spol. s r.o. we also offer Prague as a gateway into CEE.
